President of the Coalition for Manitoba Pharmacy. The
Coalition for Manitoba pharmacy was formed by Manitoba
community pharmacists concerned about the impact of the
fast-growing international internet pharmacy industry on
Manitoba health care and on the pharmacy profession.

Summary: On behalf of the Coalition for Manitoba Pharmacy, Lothar
Dueck will present regarding: the adverse impact of the
growing drug reimportation business on the health care
system in Manitoba and the rest of Canada; the
unsustainability of reimportation as a government policy; the
increased risks to American and Canadian patients resulting
from reimportation.

Time required: 8-10 minutes, plus questions
(Morning or early afternoon time preferred)
